

BUDGET ADVOCACY PRESENTATION ❖ FEEDBACK FORM

In a spirit of supportive, constructive and honest feedback, give your perspective on the following aspects of the other group's presentation.

Feedback Questions	Wow, truly amazing! You made a great impact with this aspect.	Well done, although it could do with a bit more work.	Good try, but this aspect needs a lot more attention.
1. How clearly did this group get their advocacy message across?			
2. How effectively did this group use budget analysis to back up their advocacy message?			
3. How well did this group communicate with their audience?			
4. How logical was this group? Did their conclusions make sense and hang together?			
5. How well did this group use different media tools to get their advocacy message across?			
6. Did this group make clear what they wanted their audience to <i>do</i> now to improve the situation?
