Msunduzi and Emalahleni have improved their water access significantly, while other municipalities have maintained their green lights. However, in many municipalities refuse removal and toilet cleaning remain at crisis levels.

**HOTSPOTS**

- Inadequate cleaning and draining of toilets remain a problem in Emalahleni, Emfuleni, Msunduzi and Witzenberg.
- Residents reported no or irregular refuse removal in Emalahleni, Emfuleni and Msunduzi.

**GOOD NEWS**

- Residents in Witzenberg (Tulbagh) reported that their toilets have been fixed.
- Access to water has improved significantly in Msunduzi although there are still some challenges. One resident remarked: “water is OK but far from us.”
