

June 2015 Update

- Of the 232 budget documents monitored across all 29 countries, a total of 143 have now been published. This is a net increase of 2 from last month.
- Of the 89 documents not publicly available, 37 were produced but not published, 9 were published late, and 43 were not produced at all.
- 16 budget documents from 14 different countries were published in June. This includes 4 Audit Reports, 11 In-Year Reports, and 1 Year-End Report. These documents are all available on IBP's [Open Budget Library](#).

Making progress

- Mali has made its **In-Year Report** for Quarter 1 of 2015 publicly available. Mali had published the previous report too late to be considered publicly available.
- Senegal has published its **Audit Report** for 2013. The Audit Report for the previous fiscal year had been published too late to be considered publicly available.

The Month Ahead

- For countries with January to December fiscal years, **Mid-Year Reviews** for 2015 should be published in the coming month, along with **Pre-Budget Statements** for 2016.

All publicly available documents can be accessed through the [Open Budget Library \(www.openbudgetlibrary.org\)](http://www.openbudgetlibrary.org).
